Napoleonville, LA 70390

Dear Mrs. Erin Theriot,

Mary Bird Perkins is dedicated to lessening the burden of cancer in southeast Louisiana. On Thursday July 12, 2018 Mary Bird Perkins Cancer Center would like to host a free Skin, Prostate and Colorectal cancer screening in your community. We know early detection save lives and would like to invite the members of your community to our free cancer screenings. Enclosed is a flier with more information regarding the screenings that are upcoming in your community.

In addition to the screenings above we also offer Breast and Oral cancer screenings throughout our 11 parish service areas. For more information on when those screenings will be held please call 225-215-1234 or 888-616-4687 or visit our website [marybird.org](http://marybird.org).

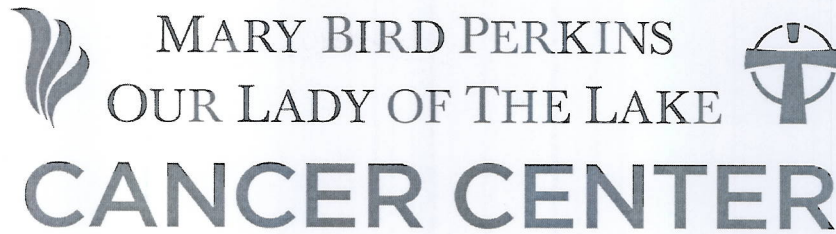

Sincerely,

A handwritten signature in blue ink, appearing to read "Hope Jeff", written over a horizontal line.
