

Assumption Parish Bidy Basketball Program

To: Communities of Assumption Parish (Home of the fighting Mustangs)

From: Assumption Parish Ward 1 Recreation District

Lead Coordinator / Wilkadrick "Coach Wil" Carter

Date: November 29, 2022

RE: Bringing Bidy Basketball to the Communities of Assumption Parish

Greetings Residents and Communities of Assumption Parish,

On behalf of the Assumption Parish Police Jury, we would like to welcome you as a participant of our youth sports program. Our goals are to offer quality programs at an affordable price while emphasizing individual skills development and teambuilding. Additionally, we envision this platform will ensure participants have enjoyable leisure experiences in the communities of Assumption Parish. As such, we are proud to announce the start of something great -- the **Assumption Parish Bidy Basketball Program!**

Our program is open to kids from ages five (5) to twelve (12). The program registration window is open **Tuesday, November 29th through December 17th**. Registration forms will be sent to each school in the parish to ensure every child can participate. Program personnel will be on location at the Assumption Parish Community Center in Napoleonville on **Saturday, December 10th and Saturday, December 17th** to receive completed registration forms and participant fees.

The cost per child is \$20 for all ages. This fee will cover insurance and uniform shirts for every child. Fees may be paid by cash or checks payable to **Assumption Parish Ward 1 Recreation District** upon the submittal of completed registration forms.

Additionally, we will be seeking and accepting applications for volunteer coaches starting **Tuesday, November 29th**. We are also accepting applications from high school juniors and seniors for paid positions of clock operators and bookkeepers.

Assumption Parish Bidy Basketball Program will be under the direction of Wilkadrick "Coach Wil" Carter, serving as the Lead Coordinator. For more information about the program or for applications, you may contact Coach Wil at (225) 431-4840 or by email at: wkcarter2@gmail.com.

Welcome to our program. We look forward to a great season to come. WE ARE ALL IN!!!
